Duke contributes \$85,000 for buildings and endowment and Carr donates the site which is now East Campus. A new charter requires that one-third of the trustees be alumni.

1894

John C. Kilgo (1861-1922) is elected president of Trinity.

The Origins of the Blue Devil

In World War I the Chasseurs Alpins or "Blue Devils" were well known French soldiers. They first gained attention when their unique training and alpine knowledge was counted upon to break the stalemate of trench warfare in their native region of the French Alps.

Unfortunately, the Vosges Campaign in March 1915 failed to alter the status quo even though the Blue Devils won accolades for their courage. However, their distinctive blue uniforms with flowing cape and jaunty beret captured public imagination.

When the United States entered the war, units of the French Blue Devils toured the country helping raise money in the war effort. Irving Berlin captured their spirit in song describing them as "strong and active...those Devils, the Blue Devils of France."

As the war was ending in Europe, the Trinity College Board of Trustees lifted its quarter century ban of football on campus. After playing an intramural schedule for one year, Trinity began intercollegiate competition in 1920. That first year the traditional nomenclature of the Trinity Eleven, the Blue and White or the Methodists (as opposed to the Baptists

of Wake Forest) described the team.

In September 1921, the student newspaper, the *Trinity Chronicle*, launched a campaign for a "catchy name, one of our own possession that would be instantly recognizable nationwide in songs, yells and publicity." At a campus pep rally to stir up enthusiasm it was pointed out that Georgia Tech was gaining recognition as the "Golden Tornadoes" and that rival North Carolina State College had recently adopted the name "Wolf Pack." There were numerous nominations including Catamounts, Grizzlies, Badgers, Dreadnaughts and Captains, which was in honor of Coach W. W. "Cap" Card.

Believing a choice utilizing the school colors of dark blue and white to be appropriate, the newspaper editors urged a selection from among the nominations of Blue Titans, Blue Eagles, Polar Bears, Blue Devils, Royal Blazes, or Blue Warriors. None of the nominations won strong favor, but Blue Devils apparently had enough support to elicit the criticism that it would arouse opposition on the Methodist campus "for obvious reasons," and that it might jeopardize football if a controversial name were used at that particular time. The football season passed with no official selection of a name.

As the campus leaders from the Class of 1923 made plans for their senior year, they decided to select a name since the desired results by democratic nomination and vote had been inconclusive.

The editors of the *Archive* and *Chanticleer* agreed that the newspaper staff should choose a name and "put it over." Thus William H. Lander, as editor-in-chief, and Mike Bradshaw, as managing editor, of the *Trinity Chronicle* began the academic year 1922-23 referring to the athletic teams as the Blue Devils.

Their class had been the first post-war freshmen, and the student body was full of returning veterans, so the name needed no explanation. Acknowledging that it was somewhat unpopular, they nevertheless believed it to be the best name nominated.

Neither the college press nor the cheerleaders used the name that first year. In fact, the *Chanticleer* made fun of the selection and process by quoting someone saying "We will use blew devvies even if no one else does." Much to the editor's surprise no opposition materialized, not even from the college administration. The *Chronicle* staff continued

its use and through repetition, Blue Devils eventually caught on.

Today the origin of the university mascot is virtually forgotten even though its instant, national recognition has long been established. With the popular Red Devil mascot frequently being challenged throughout the country, the origin of Duke's Blue Devil is one of the most often requested items of information in the University Archives. Questioners are universally surprised to discover its origin is more military and patriotic than religious.

1961

Admissions policy amended to affirm equality of opportunity regardless of race, creed, or national origin. This is accomplished in a two-step process with graduate and professional schools first and the undergraduate colleges following in 1962.

East Campus History

From 1925 to 1930, East Campus was Duke University. Even while the new buildings were going up, instruction continued, with five classes graduating during that time. Duke University was formed in 1924 around Trinity College, a school that had been established in 1838 in Randolph County, N.C., and which had moved to Durham in 1892. The tract of land that became Trinity's campus had been the city's fairgrounds; a racetrack was located about where Baldwin Auditorium now stands. Leaders of Durham's tobacco industry supported the College. Julian S. Carr donated the property, and Washington Duke provided funds for the move and for buildings. Three of the original structures are still in use. Epworth Inn, a residence hall, and Crowell Science Building, now used by the Division of Student Affairs, were built in 1892. The Ark, built in 1898, was the site of the second inter-collegiate basketball game in the state — Trinity versus Wake Forest in 1906 (Wake won, 24-10). It has also served as a bowling alley, a dining hall, and student activities center.

In 1896, Trinity's President, John C. Kilgo, invited the noted African American educator Booker T. Washington to speak. Trinity thereby became the first white institution of higher education in the South to host him. In 1905 President Theodore Roosevelt visited the

campus, and praised the faculty and trustees for their pioneering stand on academic freedom in the Bassett Affair of 1903. As Trinity's reputation and enrollment grew, so too did the campus. By 1903, it consisted of twelve buildings. In 1904 the Law School was founded, and housed in the East Duke Building. The statue of The Sower, in front of East Duke Building, was given by Washington Duke's son, James B., in 1905. Several professors lived on "Faculty Row" inside the campus wall, a few yards west of the present Buchanan Boulevard. The wall was a gift of another of Washington Duke's sons, Benjamin; East Campus has been called his unmarked monument.

In 1924, the University was founded, being named in honor of Washington Duke. James B. Duke, who had made fortunes in both the tobacco and electrical power industries, provided \$19 million for building and equipping the new school. In 1930, the Woman's College of Duke University opened on the Georgian-style East Campus, and Trinity College for men and the University's graduate and professional schools opened on the Gothic-style West Campus. In 1972, the men and women's colleges were merged to form our present Trinity College of Arts and Sciences.

Student life on East has been shaped by the arts, by engineering, public

service, and alternative residential arrangements. In fact, our first co-ed dorm was established there in 1896, thanks to a donation from Washington Duke, who favored equal educational opportunities for men and women. There were not enough women students enrolled to fill the new women's dorm, so President (later Bishop) Kilgo hand-picked male students to occupy the vacant rooms. In the 1930s, Engineering students lived in Southgate, and took most of their classes on East; the Branson Building once housed an engineering lab.

Wilson House, between the present Art Museum and the Union, has been a site of a number of innovative housing experiments. The dorm's residents offered a number of house courses, and produced *The Wilsonian*, a highly regarded dorm publication. In 1970-71 SHARE (The Student House for Academic and Residential Experimentation) was started in Wilson House. It later moved to Epworth, where the residents had been offering courses and workshops in weaving, silk screening, and film. Duke's Institute of the Arts was established in 1981 to integrate the arts into the educational process, particularly at the undergraduate level. It's located in the Bivins Building, and has hosted an Open House for the Arts, held in the fall.

Due perhaps to its proximity to downtown Durham, East Campus has often housed our public and civic service organizations. Trinity students helped stock Durham's woodpile for the poor during the harsh winter of 1918. During World War II, Woman's College students formed the College Organization for General Service (COGS) which assisted Duke and Durham in the war effort. Now the Community Service Center has its offices in the Crowell Building, and continues the traditional town-gown cooperation between Duke and Durham.

The Trinity campus has seen a full range of the collegiate life and continues its role as a vital part of Duke University and a reminder of its roots. Now members of the Class of 2001 are invited to contribute their experiences to the ongoing history of the East Campus.

Located on the 2nd floor of Perkins, a great place to group study or talk with friends over coffee and desserts.

BLUE AND WHITE FIGHTING SONG

G.E. LEFTWICH, Jr.

Tempo di March

Duke we thy an-thems raise For all thy prais - es un -

told We'll sing for the Blue and White Whose

co - lours we un fold Firm stands her

line of blue For they are loy - al through and through Fight - ing

with the spir - it true All for the love of old D. U.

Fight we'll fight - With all our strength and might Win we can't So

here we give a hand: Hey Rah Rah Rah Rah D - U - K - E Rah.

Points

The equivalent of your wallet at Duke, these are units of exchange for your flex and food plans. Points are electronically tallied on your Duke card. Once again—don't loan your card to friends or, worse yet, lose it—points thieves abound.

Pre-Major Adviser

Knowledgeable givers of curricular wisdom, located in Pre-Major Advisory Center on East Campus. See them by appointment only to plan your schedules and get classes approved. See ADVICE.

Professors

Called the Dr. or Professor So and So. Assistant professors do not have tenure, while associate and full professors do. Duke's are amazing, with very few exceptions.

Publications Board

A group of student editors whose publications include a literary and photographic magazine, a humor magazine, a general magazine, and the teacher-course evaluation book online.

Quad Flix and Freewater Films

First-run films the second time around and your favorite oldies, shown regularly in the Griffith film theater.

Quad Squirrels

Duke, especially West Campus, is home to probably the tamest squirrels you'll ever meet. Fun to feed or watch, and several have been known to find their way into dorm rooms.

Raleigh

A 25 minute drive from Duke. It's our state capitol and home of North Carolina State University.

Random

Term found in about every third sentence uttered at Duke. "Random" can have a literal sense, as in randomly running into someone, but also can describe any unknown, inexplicable, or disliked person or thing, as in "some random stole my econ notes."

Rathskellar

Called "The Rat," this restaurant is located downstairs in the Bryan Center and features such Duke favorites as Rathburgers, pasta, Mexican dishes, fried foods, and beverages.

Real World

Life after the Gothic Wonderland is a scary place—just ask any senior. It includes navy blue suits, nine-to-five jobs, one-week vacations, and, for the vast majority of Duke alumni, a great deal of success.

Ride-Rider Board

Listings located downstairs in the Bryan Center to help students find rides or passengers for upcoming vacations or weekend getaways.

Safe Rides/Safe Walks

Services run by student volunteers who want to make sure that you get back to your dorm safely after dark. Use them—they're there for your protection. Call 684-SAFE.

Student Health

Located in Pickens Building on North Campus; not to be confused with the infirmary located in the purple zone of Duke Hospital South. Your fees are prepaid, and you can see a doctor or nurse by appointment for colds, flu, or any other complaints.

Triangle

Refers to the three-city area of Durham, Raleigh, and Chapel Hill.

U Room

Short for the University Room, it's a cafeteria next to the Alumni Lounge, featuring breakfast and a salad bar, hot food, and drinks for lunch and dinner. Its outdoor porch next to the Bryan Center walkway is a popular scoping spot on a sunny day.

Uncle Harry's

The Central Campus convenience store that operates on food and flex points, located next to the swimming pool off Yearby Street.

University Administration

You'll probably get to know one or more of them during your stay at Duke. They include: Nannerl O. Keohane, President; John W. Strohbehn, Provost, responsible for academics; William H. Chafe, Dean of Trinity College; Earl H. Dowell, Dean of the School of Engineering; and Janet Smith Dickerson, Vice President for Student Affairs.

University Union

Sponsors Major Attractions, On-Stage, Major Speakers, Special Events, Freewater Films, Performing Arts, Cable Television, and other committees essential to student life. Anyone can work for them and have much fun doing it.

Varsity Sports

Catch men's basketball, football, soccer, baseball, wrestling, and lacrosse and women's basketball, volleyball, soccer, field hockey, and lacrosse. Also, don't forget cross-country, fencing, golf, swimming, tennis, and track.

Warm Weather

Why some people come to Duke, and an advantage Harvard and the other Dukes of the North will never have over us.

What's Up?

The proper way to greet a friend, classmate, or scope in passing. If someone greets you this way, the correct response, no matter how busy or stressed out you really are, is "Not much. How 'bout you?"

Women's Handbook

A free guide for Duke women answering questions and dealing with issues pertaining especially to women. Check it out no matter which sex you are—you'll definitely learn something.

WXDU

At 88.7 and 103.5 on your FM dial, it's the student-run source of new music, jazz, reggae, and the latest sports and news updates. New DJ's and news announcers are chosen and trained each fall.

Yearbook and Other Publications

The Chanticleer, Duke's sometimes non-traditional yearbook, always features amazing photography and a sentimental look at the past academic year.

Yearlook

Duke's video yearbook; a concept invented by a Duke alum. Relive a year at Duke over and over again with the help of your VCR.

ZZZs

The fine art of studying the inside of one's eyelids practiced extensively in early classes and in Perkins during exams. A student can never get enough ZZZ's.
